

EUROPE

A vertical scale bar for an azimuthal equidistant projection map. The top part is labeled "AZIMUTHAL EQUIDISTANT PROJECTION". Below it is a horizontal line with tick marks at 0, 250, 500, and 750. Above each tick mark is its corresponding value: "miles" above 0, "250" above 250, "500" above 500, and "750" above 750. Below the horizontal line is another horizontal line with tick marks at 0, 500, and 1000. Below each tick mark is its corresponding value: "km" above 0, "500" above 500, and "1000" above 1000.

The map is a detailed political map of Europe. It features a grid of latitude and longitude lines. Major cities are marked with black dots and labeled. The map shows the outlines of European countries and the coastlines of the Atlantic Ocean and the Mediterranean Sea. The Caspian Sea is also depicted. An inset map in the bottom left corner shows the world map with a focus on Europe, Africa, and Asia. A scale bar at the bottom right indicates distances in miles and kilometers. The title 'EUROPE' is prominently displayed in large letters on the right side.
